October	None	Sat., October 14 (Elections)	48
November	None	None	
December	Thursday, Dec.7	None	47

Notes:

- 1) FC/VFC meetings will be held at 1630 in the afternoon, for approximately 2 hours. These meetings will be hosted, and the location specified, by the flotilla hosting the division meeting next following the FC/VFC meeting. Staff Officers are not expected to attend these meetings unless specifically requested.
- 2) A FC/VFC meeting will be held prior to each general division meeting to allow planning for the next general meeting, and other topics.
- 3) Five general division meetings are planned, thus giving each flotilla the opportunity to host one meeting. Meetings will usually be from 0900 to 1400. All elected and staff officers are requested to attend each meeting to the maximum extent possible. All members of the division are encouraged to attend division meetings. A meaningful agenda will be set up for each meeting; if the board cannot come up with a useful agenda of value to our members we won't have the meeting!
- 4) At the March, May and July meeting we will offer one workshop training, VE, Operations or IT.
- 5) The VCP will schedule Staff Officer meetings for 2006 at a later date.
